Wall Mounted Leaflet Holders

Code WS16-D8

A simple installation method, providing a smooth and even presentation for displaying literature on a wall surface.

Designed to hold A4 and 1/3rd A4 size Literature, this wall system is supplied in Kit form for easy installation.

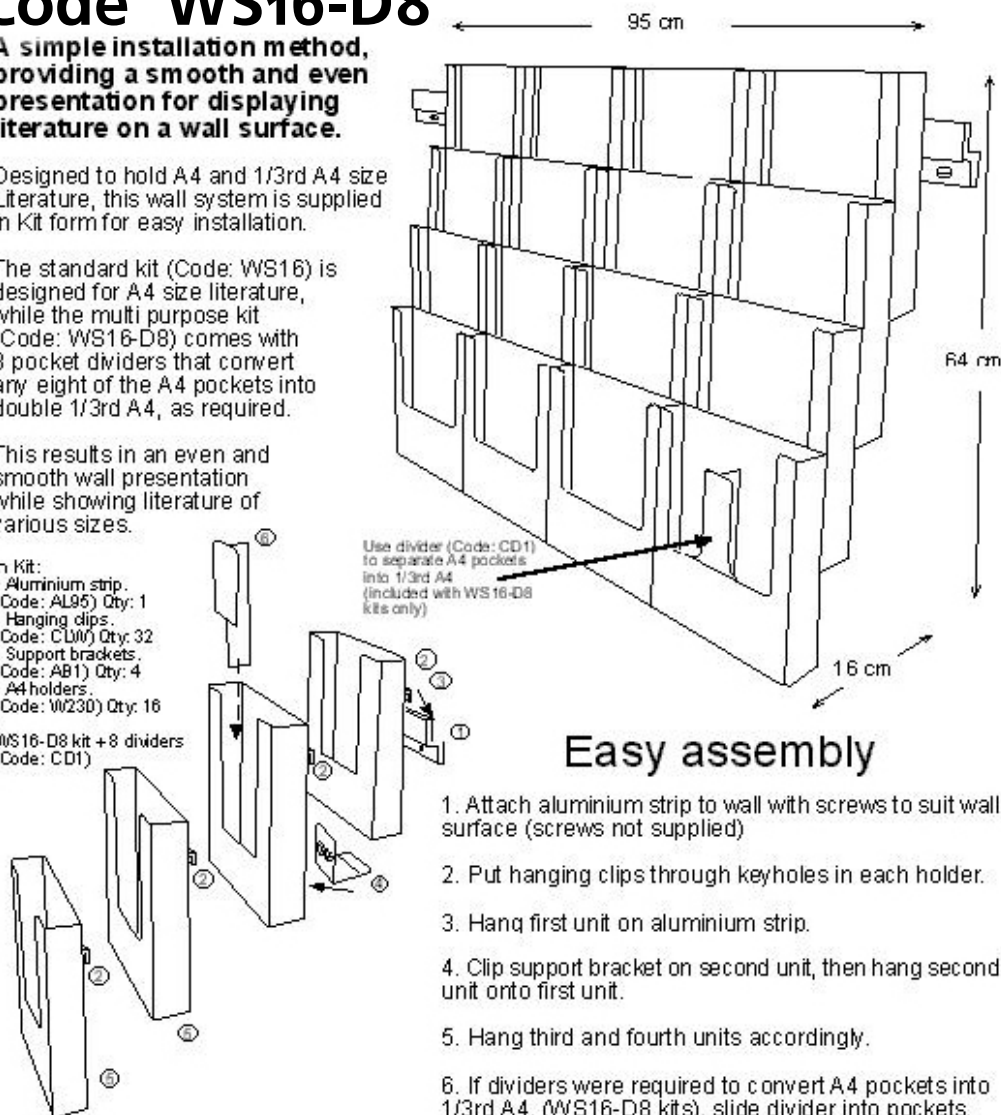

The standard kit (Code: WS16) is designed for A4 size literature, while the multi purpose kit (Code: WS16-D8) comes with 8 pocket dividers that convert any eight of the A4 pockets into double 1/3rd A4, as required.

This results in an even and smooth wall presentation while showing literature of various sizes.

In Kit:

- * Aluminium strip. (Code: AL95) Qty: 1
- * Hanging clips. (Code: CLW) Qty: 32
- * Support brackets. (Code: AB1) Qty: 4
- * A4 holders. (Code: W/230) Qty: 16

WS16-D8 kit + 8 dividers (Code: CD1)

Easy assembly

1. Attach aluminium strip to wall with screws to suit wall surface (screws not supplied)
2. Put hanging clips through keyholes in each holder.
3. Hang first unit on aluminium strip.
4. Clip support bracket on second unit, then hang second unit onto first unit.
5. Hang third and fourth units accordingly.
6. If dividers were required to convert A4 pockets into 1/3rd A4, (WS16-D8 kits), slide divider into pockets.
